KEEP YOUR OFFICE HOLIDAY PARTY FUN, WITHIN BUDGET
Phoenix City Grille offers affordable gathering spot closer to home

(PHOENIX) October 2, 2009: It's been a tough year for many Arizona companies, but despite the economy, smart business owners still want to reward loyal employees and keep morale high with a Holiday party this December. While the days of taking the office staff to Sedona may be over, employers can entertain their team in style at one of the Valley's favorite neighborhood restaurants, the **Phoenix City Grille**.

Phoenix City Grille is now taking reservations for Holiday parties this December. The cozy neighborhood tavern features delicious food at reasonable prices, an excellent view of Piestewa Peak and a large private dining room that can accommodate groups from five to 40.

"The Holidays are a great time to show appreciation for your co-workers, and having your holiday party at the Phoenix City Grille keeps the celebration affordable and fun," said Sheldon Knapp, owner of Phoenix City Grille. "We'll create the perfect menu within your budget, and pamper your guests with friendly personal service."

The restaurant at 16th Street and Bethany Home Road is modeled after an old town tavern, with a spacious dining area, comfortable bar and a large private room for special functions. Menus featuring the stories of famous Phoenicians lend a sense of Arizona history. Colorful photos and artwork depicting earlier days in Phoenix add to the welcoming feel, as does the large diverse menu of American, Southwestern and eclectic appetizers and entrees.

"Times may be tough, but you still need the help of good people," said Sheldon Knapp. "Thanking your employees never goes out of style."
